COMMENT REGARDING CORRECTED DRAWING REQUIREMENT  
IN NOTICE OF ALLOWABILITY

Sir:

Box 6(b) of the Notice of Allowability received with the Notice of Allowance, has been checked with an X, so as to indicate that corrected drawings must be submitted. However, the Office Action Summary received with the Official Action dated October 20, 2004, indicates that the Replacement Sheet 2 filed on 22 September 2003 has been accepted, see also the Detailed Action portion of the October 20 Official Action.

Based upon the above, it appears that box 6(b) of the Notice of Allowability was checked in error, and that corrected drawings are not in fact required.

Respectfully submitted,

Charles B. Elderkin
